The Kentucky Llama and Alpaca Associations is proud to sponsor this show. We have opted this year to hold a double sanctioned judged show for the llama and single alpaca show. As always, this requires much work and money. We're willing to put in the work if we could count on you to help with the sponsorships.

We have purposely chosen to keep the sponsorship requests at a minimal level hoping that this would enable more farms to participate. Please review the options below and choose to participate as a sponsor.
